In addition to being the Sageville trailhead of the Heritage Trail, Heritage Pond hosts opportunities for fishing, gatherings, and camping.

Potential Improvements:
- Expanded parking
- Vegetation buffer between campsite and park
- Rental pavilion to allow visitors to try kayaking, stand-up paddle boards and biking

Vacate existing road and convert to parking, maintenance access, and parkland.

Native Plantings to screen RV campground from trail and pond.

Proposed rental pavilion: Stand-up paddle boards, bikes and kayaks.
